ARC Program Fee:

ARC Teachers will be invoiced for the ARC Program Fee on June 1st each spring after the teacher begins using the interim certificate and is being mentored.

Invoice Schedule:

A teacher begins to work with the interim certificate, during either the fall and winter semesters. The college will invoice the teacher for the peer-mentoring fee, using the following schedule:

First spring @ \$3150

Second spring @ \$1575

Third spring @ \$1575

Once the initial mentoring payment is requested, the teacher will be invoiced again for the second and third payments in the next two consecutive years. If the teacher does not teach during one or both of those two years, the teacher can use the unused portion of the mentoring payment for mentoring in years four or five, as needed.

Fees will be applied to ARC teachers' account by the Student Accounts office. ARC teachers are required to check their accounts for this charge. Teachers who fail to respond to the invoice will be unable to register for any additional coursework until the amount is paid, and will not be provided peer mentoring.
