WHAT TO EXPECT

- Explore the dynamic and rewarding career opportunities in accounting. Industry professionals will share their experiences, provide insights into the various career paths, and discuss the demand for skilled accountants in today's job market.
- Discover how you can seamlessly transition from your community college to a university business school. Representatives will be on hand to discuss transfer requirements, scholarship opportunities, and how to make the most of your credits.
- Connect with recruiters from leading accounting firms. This is your chance to ask questions, learn about the recruiting process, and start building the professional relationships that will be key to your future success.
