

Program Description

The Alternative Route to Interim Teacher Certification (ARC) Program is a Michigan Department of Education approved teacher preparation program allowing individuals to obtain initial certification in elementary education (grades PK–3 or 3–6), or add endorsements to a current teaching certificate.

A PK–3 or 3–6 Elementary Interim Teaching Certificate (ITC) is earned upon completion of pre-certification coursework, passing of appropriate MTTC, and successful background check. The ITC enables program participants to work as certified PK–3 or 3–6 or Elementary classroom teachers in Michigan’s public, charter, and parochial classrooms. A Standard Teaching Certificate is earned upon completion of the following: three (3) years of successful teaching under the ITC, instructional support from Schoolcraft College (peer mentoring and instructional coaching), and completion of additional program requirements.
